Indigenous Resettlement and Social Impacts

Janet Epps

Indigenous Resettlement

- Needs assessment and planning
- Consultations
- Conflict resolution
- Program implementation
- Support services

© UNSW School of Mining Engineering

Issues

- Management of expectations (& desires)
- Immigration issues (competition for resources, jobs)
- Cultural impacts (new arrivals, other cultural influence)
- Impact of cash economy/rapidly boosted economy
- New influences affecting old power structures
- New diseases (contagious, STDs, HIV etc)
